outdoors in Oregon. Who doesn't love the outdoors in Oregon? It's gorgeous here! A lot of the stuff we were familiar with and about half of it we weren't. Gave us some new great ideas for things to do with our 7 and 4 year old sons. 1 of 1 people found the following review helpful. Excellent family fun tips---great book! By AbeAn excellent book! I picked this up at a museum bookstore in Oregon (cost more than here on ), and I'm so glad I did! We now keep it in the car...because...well, you never know! We even discovered a fantastic playground in a town that we had been visiting over and over (and had NO idea existed), thanks to this book! We've recommended it to friends. Thanks again!

Geared towards parents with children between the ages of two and twelve, Fun with the Family Oregon features interesting facts and sidebars as well as practical tips about traveling with your little ones.
