I have only one concern. I don't know who's fault it is. It Concerns Fort Rickey in Rome. The book says that children are free with paying adult. My wife, twin 3 year olds and I went expecting to pay \$19. When we got to the gate they wanted \$34 (\$6.50 for each child). We asked about the free child with adult admission and were told that that is only with a coupon from there website and other places. They would not give us a coupon or the discount. So we left never to go back. I guess they wanted \$34 or nothing. We went to Syracuse and went to the MOST (Museum of Science and Technology instead.
