Vanessa Molina : Gal in the Gulf before purchasing it in order to gauge whether or not it would be worth my time, and all praised Gal in the Gulf:

With the media blasting out horror stories about the Middle East and the Muslim faith, this American teacher went to

work in Kuwait with fears and doubts most people in the West have about that area of the world. From the smells of the food to the goofiness of her friends and the experiences of mingling with an international community, the author recounts personal and spiritual exposure to a world that is often feared and misunderstood by the Western world.
