Kit Lane, Art Lane : Galapagos Islands: A Traveler's Preview (A Traveler's Preview Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Galapagos Islands: A Traveler's Preview (A Traveler's Preview Series):

Everything about the Galapagos Islands is an adventure. They sit in the middle of a cold ocean current, but are bisected by the Equator. A trip to the islands is a marine odyssey, filled with curious animals from the thousands of Blue Footed Boobies that nest there to seaweed-eating marine iguanas. This Traveler's Preview outlines the type of touring craft available, then offers an island by island survey full of history and background. How do you prepare for a

About the AuthorKit and Art Lane have toured the world for more than 30 years. Sometimes independently, sometimes using every available moment to expand the opportunities offered by a tour. A prepared traveler, ready to experience and enjoy the diversity he has found, is the best sort of ambassador a country can send forth.
