Kevin Healey : Galapagos Islands Map (International Travel Maps) before purchasing it in order to gage whether or not it would be worth my time, and all praised Galapagos Islands Map (International Travel Maps):

Scale 1:500,000. Map of the islands with topographical contours and numbers indicating elevations. Legend locates areas for spotting specific wildlife (fur seals, green sea turtles, penguins, etc.); camping areas; walking tracks; snorkeling; craters; lighthouses. With numerous wildlife illustrations and descriptions; diagram of vegetation zones; practical information for visitors; history of Darwin and the Galapagos. Includes diagram of Charles Darwin Station.

About the AuthorITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, has published detailed reference and travel maps of countries, regions, and cities around the world since 1985. The company's titles include many that are unique or the first of their kind, including the first commercially available travel map of South America.
