John Hickman : Galapagos: The Enchanted Islands (Through Writers' Eyes) before purchasing it in order to gage whether or not it would be worth my time, and all praised Galapagos: The Enchanted Islands (Through Writers' Eyes):

though it is not fully up to date. Very well-written by someone who loves the Galapagos.

Every year a quarter of a million well-heeled, well-read travelers take the holiday of a lifetime to the Galapagos. John Hickman presents an intriguing cast of characters, from Incas to whalers, pirates to Robinson Crusoe's, the original Swiss Family Robinson and the revered Charles Darwin.
