It has been on our coffee table ever since. There are about 200 pages worth of color pictures. Some of these resorts are just beautiful. We can't wait to actually go on our vacation. This book has been great in helping us plan our trip.0 of 0 people found the following review helpful. Fantastic, realistic guide for ranch vacationing!By scarrozzo@cahners.comI own two editions of this book and love them! This book helped me locate the environment I was looking for on three occasions. So far the descriptions have been accurate and fair. I have not been disappointed. The pictures are beneficial in the decision process as well. Give it a try!0 of 1 people found the following review helpful. Wonderful, Helpful BeautifulBy A CustomerThis book is THE resource if one is looking to plan a ranch vacation. The pictures are absolutely breathtaking! Well-written and chock full of info.

Featuring updated entries and new listings, this exhaustive guide to recreational ranches provides straight-shooting reports on locations ranging from rustic working dude ranches to deluxe resorts with all the amenities. Kilgore offers information on what to expect from a ranch vacation, how to choose a ranch to visit, and preparing for the trip. 373 photos, 238 in color Online promo.

.com They call it a guide, but it's more of a requisite manual for anyone who loves the outdoors and all it offers, but prefers to enjoy it from a ranch verandah rather than a tent. Gene Kilgore describes in detail the guest and resort ranches, fly-fishing ranches, and cross-country skiing ranches from Arizona and North Carolina to Montana, Alaska, and Alberta, Canada, with listings by state and by interest, and the facilities, fees, food, accessibility, and children's programs of each, and pictures of most. Now in an updated and expanded fourth edition, Gene Kilgore's Ranch Vacations has complete information on vacation ranches in both the United States and Canada. With 200 pages of color photographs, Ranch Vacations is the undisputed, "must-read" guide for anyone wanting to experience North American "ranch country". Fly-fishing and cross-country ranches further enhance the value of this highly recommended, encyclopedic compendium of ranch vacationing resources and alternatives. -- Midwest Book
