Michael Jelden : German-English/English-German Dictionary and Phrasebook before purchasing it in order to gage whether or not it would be worth my time, and all praised German-English/English-German Dictionary and Phrasebook:

2 of 2 people found the following review helpful. contents sizeBy KimThe translated words in this book, are about at a 4th grade level. Very simple words, hard to say what you want to say.The ONE big mistake that and it sellers do, is to

not give the size of the books they are selling. You see a picture, sometimes, but you can't tell how big it is at all. Also the binding should be spiral. Any book that you are using to copy items and write them down, should be able to stay open at the page you want, not just close up on you. I very disappointed with the purchase of this book. 2 of 2 people found the following review helpful. great little pocket language guide By consumer I purchased the book for a friend who is going to Germany in a few months. I am fluent in German, but she is not. This handy guide made her very happy! If anyone has a friend who speaks German, but needs a little help learning to pronounce key phrases, this IS the book you want!!! 4 of 5 people found the following review helpful. Das Deutsche Wörterbuch By Nieth Very helpful dictionary with good introduction and some help on pronunciation as well as some conjugation. Could use better organization with the non-English characters, but overall very useful and I am constantly using it.

Travel through Germany, Austria, and Switzerland with this complete language guide! The two-way dictionary contains 5,000 total entries; noun gender and article are indicated, as well as verb category. The 23-chapter phrasebook covers all of the topics necessary for the visitor and offers practical cultural information. An introduction to the grammatical structure of the German language prepares the reader for basic communication. Over 5,000 dictionary entries Essential phrases Pronunciation guide Basic grammar List of the 100 most spoken German words Ideal for the traveler, student, or businessperson

Language Notes Text: English, German About the Author Michael Jelden is a concert violinist and linguist who resides in Stuttgart, Germany. He is also the author of a Georgian/German bilingual dictionary, as well as the German-English/English-German Concise Dictionary (Hippocrene Books).
