Nadine Slavinski : Germany by Bike: 20 Tours Geared for Discovery before purchasing it in order to gage whether or not it would be worth my time, and all praised Germany by Bike: 20 Tours Geared for Discovery:

0 of 0 people found the following review helpful. Four StarsBy SeriousVery useful. Would be better if more current.1 of 2 people found the following review helpful. Five StarsBy Haworth P. BromleyWell written.20 of 22 people found the following review helpful. A wonderful guide!!By A CustomerMy wife and I lived in Germany for 2 1/2 years and

used that time as an opportunity to get into bicycling. One of the first books we bought was "Germany by Bike" ...a smart move on our part. Of the 20 tours listed in the book we took 3 of them and can say we were most pleased with those. The directions are simple and easy to follow and the trails are wonderful. If you're looking for a great guide to explore Germany by bike then look no further.
