National Geographic Maps - Reference : Germany Executive [Laminated] (National Geographic Reference Map) before purchasing it in order to gage whether or not it would be worth my time, and all praised Germany Executive [Laminated] (National Geographic Reference Map):

National Geographic's antique-inspired Executive style political map of Germany is as attractive as it is functional, making it the perfect addition to any home or office decor. The country, along with neighboring areas of Denmark, Poland, Czech Republic, Austria, Switzerland, France, Belgium and the Netherlands, as well Luxembourg in its entirety are shown with clearly defined international borders, shaded relief and thousands of place names, displayed in

easy-to-read fonts. Major infrastructure networks are noted, such as airports, highways and roads, canals, high-speed and passenger railroads, oil fields and pipelines, and ferry routes in the North and Baltic Seas. The map is encapsulated in heavy-duty 1.6 mil laminate which makes the paper much more durable and resistant to the swelling and shrinking caused by changes in humidity. Laminated maps can be framed without the need for glass, so the frames can be much lighter and less expensive. Map Scale = 1:1,375,000 Sheet Size = 23" x 30"
