From Maps International Ltd : Giant World Map Mural Classic before purchasing it in order to gauge whether or not it would be worth my time, and all praised Giant World Map Mural Classic:

Our Giant Classic Antique Oceans World Wall Map Mural is a great addition to any room. This map is up to date featuring classic muted colors with individually colored countries and including major towns, cities and clearly marked capitals. Various mountain and sea shadings also add to a vibrant overall look. The map size is 91.3" wide by 62.2" high and is printed on several strips, like wallpaper. Installation: This wall map is attached to the wall in several sections like wallpaper using standard wallpaper glue/paste (not included). Instructions are included.
