**National Geographic Maps - Trails Illustrated : Glacier Bay National Park and Preserve (National Geographic Trails Illustrated Map)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Glacier Bay National Park and Preserve (National Geographic Trails Illustrated Map):

0 of 0 people found the following review helpful. out of date mapBy DaveThis is an old and out of date version of the map, and not the one that is pictured. See my photo.This old version has many well-known inaccuracies including ocean water where there is actually dry land (e.g., Adams Inlet). Cannot recommend.Update: Kudos to National Geographic Maps - Trails Illustrated who promptly sent me the updated and corrected version at my request. I have upgraded my rating from 1 to 4 stars.0 of 1 people found the following review helpful. Three StarsBy HSHikerspoke with rangers while there while this map is good there are a few inaccuracies1 of 3 people found the following review helpful. Print too smallBy GlorzIt didn't meet my needs because the printing is so small I need a magnifying glass to read. I didn't think about that when I purchased it

Waterproof Tear-Resistant Topographic MapNational Geographic's Trails Illustrated map of Glacier Bay National Park and Preserve in Alaska's panhandle is perfect for hiking, camping, boating, paddling, and wildlife viewing in this scenic, rugged frontier.
