**World Trade Press, Sibylla Putzi : Global Road Warrior for Colombia** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Global Road Warrior for Colombia:

The Global Road Warrior Colombia comes packed with key data necessary for daily survival while on the business road in Colombia. Innovated to arm the business traveler with succinct practical and technical information, this pragmatic handbook offers an easy section-by-section format to help guide the business traveler from origination point to destination, through the country, and back. Let GRW-Colombia help you with pre-departure information for visa,

passport, necessary hardware and plugs, immunization, and accommodation. Check climate and holidays to determine the best time to travel and review health information to know what to expect in terms of water, sanitation, and food. Once you've arrived in Colombia, the GRW-Colombia can assist with airport arrival information, local currency, transportation, tipping, greetings and courtesies, cultural tips for business, local business dress habits, business entertaining, basic phrases, security warnings, connecting to the Internet, operating your cell phone, using a pay phone, finding a courier, locating an embassy, and more. Don't get left behind in business because you weren't prepared for the day-to-day practicalities. Let the Global Road Warrior-Colombia assist you in taking care of the basics in Colombia so you can focus on business.
