World Trade Press, Sibylla Putzi : Global Road Warrior for Syria before purchasing it in order to gauge whether or not it would be worth my time, and all praised Global Road Warrior for Syria:

The Global Road Warrior Syria comes packed with key data necessary for daily survival while on the business road in Syria. Innovated to arm the business traveler with succinct practical and technical information, this pragmatic handbook offers an easy section-by-section format to help guide the business traveler from origination point to

destination, through the country, and back. Let GRW-Syria help you with pre-departure information for visa, passport, necessary hardware and plugs, immunization, and accommodation. Check climate and holidays to determine the best time to travel and review health information to know what to expect in terms of water, sanitation, and food. Once youve arrived in Syria, the GRW-Syria can assist with airport arrival information, local currency, transportation, tipping, greetings and courtesies, cultural tips for business, local business dress habits, business entertaining, basic phrases, security warnings, connecting to the Internet, operating your cell phone, using a pay phone, finding a courier, locating an embassy, and more. Dont get left behind in business because you werent prepared for the day-to-day practicalities. Let the Global Road Warrior-Syria assist you in taking care of the basics in Syria so you can focus on business.
