I don't know why anyone would publish a trail map with no mileages. It makes the map almost useless for planning a hike as you have to make a visual "guestimate" of how long a hike is. I'm still debating whether I'm going to send it back.0 of 0 people found the following review helpful. best maps!By rtpbest maps! they can be refolded, twisted, wrinkled, drenched, sat on, driven on, and they still look great!0 of 0 people found the following review helpful. Great maps!By ritewingerI got this as a Christmas gift for my Seattle resident son and he loves these NG maps. I visit him most summers and they have become the most important items we pack to hike and camp. Very good maps!

Waterproof Tear-Resistant Topographic MapNational Geographic's Trails Illustrated map of Goat Rocks, Norse Peak, and William O.
