**Charles Hively : Good But Cheap Eats: New York** before purchasing it in order to gage whether or not it would be worth my time, and all praised Good But Cheap Eats: New York:

1 of 1 people found the following review helpful. Wonderful Charming restaurant guideBy Alison D. CurryI was delighted to stumble upon this wonderful and charming guide to cheap restaurants in New York. Yes there are some! The book is well-written, beautifully illustrated, and accurate. The restaurants listed offer excellent value. It is also

very handy for tourists that the author points out sites of note in the neighborhood of each venue.

A guide to inexpensive restaurants in New York. Features fifteen great lunch spots that are good, fast and cheap. Developed as a guide for artists who visit New York. Also perfect for the student or graduate visiting the city. Restaurants featured are in midtown, Union Square, the Museum District and downtown. Nearby attractions such as museums and galleries are listed with each restaurant as well as personal recommendations from the editor.

About the Author Designer, editor and publisher of art magazines and books Hively's background is in graphic design, advertising and illustration.
