James Kaiser : Grand Canyon: The Complete Guide: Grand Canyon National Park before purchasing it in order to gage whether or not it would be worth my time, and all praised Grand Canyon: The Complete Guide: Grand Canyon National Park:

2 of 2 people found the following review helpful. Must buy!By SkinkerGibbsThis is a well-written guide, with plenty of pictures, provided links (text or e-book), common sense types of info (activities things to do divided into sections, a chapter on the South Rim and another on the North Rim, a chapter on the river...and on). You can jump to whatever

chapter meets your needs at the time to plan your trip a little or learn more (geology, Native Americans, history, and damming the river, etc.). If you need one book to start with - get this one. 5 of 5 people found the following review helpful. Complete and full of photos By Melina Excellent photos, good narrated. A pleasure to read before going to the Grand Canyon. I would suggest to add a scale in all maps, to realize the distance between two points. 2 of 2 people found the following review helpful. ... trip to the Grand Canyon and found it very useful. I used it to plan the trip and ... By CSBI bought this for a recent trip to the Grand Canyon and found it very useful. I used it to plan the trip and referred to it every day while we were there. For us it had just the right balance of site information and history.

Filled with beautiful color photographs, this award-winning guidebook reveals the best of America's most famous national park. Grand Canyon: The Complete Guide equips travelers with detailed maps, travel tips, and extensive listings for lodging, camping, and sightseeing. From river rafting to mule rides, the Grand Canyon is filled with plethora of potential activities but without careful planning, a trip to this popular national park can be overwhelming. This guide divides the attractions into sections the North Rim, South Rim, Colorado River, and Havasu Falls with information given for each, including how to avoid crowds. The park's most popular hiking trails are covered in detail, and outfitters for backpacking, mule rides, and whitewater rafting are listed. Carefully researched chapters about the park's history, geology, and wildlife take readers behind the scenes, providing fascinating context for one of earth's greatest natural wonders.

"Hands down, these are the best travel guidebooks I've ever read." Wandering Educators Winner, Benjamin Franklin Award, Best Full Color Travel Guide Winner, Independent Book Publisher Award, Best Travel Guide
