From imusti : Great British Walks: 100 Unique Walks Through Our Most Stunning Countryside before purchasing it in order to gage whether or not it would be worth my time, and all praised Great British Walks: 100 Unique Walks Through Our Most Stunning Countryside:

0 of 0 people found the following review helpful. Good For LocalsBy Benson And BansonA nice book for Brits taking a drive to the country for a short hike; but for others, coming to GB for extensive hiking, worthless. Maps very limited.0 of 0 people found the following review helpful. Four StarsBy Windy City RamblerVery helpful if you're a hill walker.0 of 0 people found the following review helpful. greatBy Stanour next trip, great ideas

A practical guidebook featuring a range of outings, from gentle strolls through peaceful scenery to more challenging journeys to the very heart of the great British wilderness

About the Author Cavan Scott started Countryfile Magazine, which celebrates the British countryside. He has written for more than 30 British magazines and newspapers.
