Laura Sutherland : Great Caribbean Family Vacations before purchasing it in order to gage whether or not it would be worth my time, and all praised Great Caribbean Family Vacations:

4 of 4 people found the following review helpful. Skip this out of date titleBy Dr. Eric J. KarsonThis 1995 book is far out of date, listing several closed resorts. Further, the book does not include any information you couldn't find in a resort's brochure, or on its Web site. No new information, nor objective reviews of the resorts - skip this title. It doesn't even deserve one star.3 of 3 people found the following review helpful. Great resource book!By A CustomerI bought

this when it first came out and found it really helpful, especially in some of the more unusual budget suggestions like the Guavaberry Spring Bay Vacation Homes on Virgin Gorda in the British Virgin Islands. Then when the author revised this book in "Tropical Family Vacations" I picked up a copy of that book and have used it instead since resorts in the Caribbean seem to change so frequently. I still refer to this earlier book for its more extensive introductions on each island. I consider it an excellent book, but would refer readers who want more current info to the updated book instead.

From snorkeling along the white-sand beaches of Aruba to exploring the inactive volcano of tropical St. Lucia, a family trip to the Caribbean is easy to plan with Great Caribbean Family Vacations. Jam-packed with vacations for every family's taste and budget, this one-of-a-kind guide covers 30 Caribbean islands, including the British and United States Virgin Islands and the Cayman Islands. Whether you prefer a luxurious resort with planned children's activities, a spacious rented villa, a scenic family cruise or a rustic seaside cottage, you'll find details on: Accommodations, including rates, addresses and phone numbers Activities, including water sports, tennis golf and special adventures like observing underwater life from a submarine or horseback riding through rain forests and hidden ruins Transportation, packing, and safety--whether you're traveling with toddlers or teens Books and music to introduce kids to Caribbean culture Complete with listings for Caribbean tourist offices, Great Caribbean Family Vacations takes the guesswork out of taking the kids on an island vacation the whole family will enjoy.

About the Author Laura Sutherland is the coauthor of The Best Bargain Family Vacations in the USA and Innocents Abroad: Traveling with the Kids in Europe. She lives in Santa Cruz, California, with her husband and two well-traveled children.
