Steve Razzetti : Great Cycle Journeys of the World before purchasing it in order to gauge whether or not it would be worth my time, and all praised Great Cycle Journeys of the World:

Featuring 34 classic cycle routes through some of the world's most stunning natural landscapes, Great Cycle Journeys of the World is the perfect companion for cyclists and adventure travel enthusiasts. With the very best routes from Africa, Asia, Australasia, the Americas and Europe, each journey showcases amazing photography that will inspire the reader and open up a world of cycling possibilities. Whether you regularly go on cycling holidays or are new to them and looking for inspiration, there is something here for everyone, whatever their level of expertise. Each route is described in detail, and includes a handy feature telling you when to visit, how long the trip should take, any equipment required, what permits and restrictions are in operation and any points of interest along the way. A locator map also illustrates the route.

About the Author Steve Razzetti is one of the UK's leading adventure sports writers and photographers. He has been an

avid climber, mountaineer and cyclist all his life, and is the author of New Holland's Trekking and Climbing in Nepal. He also edited Top Treks of the World and contributed to Trekking Atlas of the World, both New Holland. He lives in Cumbria.
