Lonely Planet : Great Journeys (Lonely Planet) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Great Journeys (Lonely Planet):

0 of 0 people found the following review helpful. Book for geography lovers By exotic_hk My mom is an avid reader of this book. Has interesting facts, histories on all the journeys. Best gift for anyone who loves to know our planet's great places. 0 of 0 people found the following review helpful. Five Stars By Lowell Sagers great 0 of 0 people found the following review helpful. New travel plans By Rosemary Donnelly The book focused on some of the places I have always had in mind for my own travel, plus others I had not thought of. The photos were so inviting, and reminded me to take more time for more explorations of new and lesser known places. I bought several copies and gave them to friends and family for Christmas.
