Lucidmap Inc., Waterfront Regeneration Trust : Great Lakes Waterfront Trail Map Book: Lake Ontario and St. Lawrence River Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Great Lakes Waterfront Trail Map Book: Lake Ontario and St. Lawrence River Edition:

0 of 0 people found the following review helpful. nice qualityBy E. LantzYou can get these maps online, but it's nice

to have it so compact. Also nice not to print it all out. 0 of 0 people found the following review helpful. Waterfront Greenway Trail trip size By K. E. Nawrocki Perfect for carrying on trips. This folio sized book has all the maps and details and was updated in 2010. The maps are available for download, but why download and print all those maps when you can get them nicely packaged like this?

The Lake Ontario and St. Lawrence River Edition of the Great Lakes Waterfront Trail Map Book has been created to help you plan your own exploration of the Waterfront Trail along the Ontario shores of Lake Ontario and the St. Lawrence River, in a convenient travel size format. Whether you choose to spend an hour or a whole day on the Trail, your experience will inspire a deeper appreciation for the many natural and cultural riches you'll find along the way. More important it will deepen your commitment to the potential of the waterfront's regeneration. Inside the Great Lakes Waterfront Trail Map Book, you'll find over detailed 84 maps showing the Trail's route, on or off road sections, parking, washrooms, landmarks, trail connections, waterfront parks, wetlands, beaches, marsh and forests, vineyards, farmland, museums and shopping areas. We've also included several itineraries to get you started, whether you are walking, biking, or blading!
