Lucidmap Inc., Waterfront Regeneration Trust : Great Lakes Waterfront Trail Map Book: Ontario's Southwest Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Great Lakes Waterfront Trail Map Book: Ontario's Southwest Edition:

The Ontario's Southwest Edition of the Great Lakes Waterfront Trail Map Book has been created as the first companion volume to the popular Lake Ontario and St. Lawrence River Edition. Whether you choose to spend an hour or a whole day on the Trail, your experience will inspire a deeper appreciation for the many natural and cultural riches you'll find along the way. Inside the Ontario's Southwest Edition, you'll find over 30 detailed maps showing the Trail's route, on or off road sections, parking, washrooms, landmarks, trail connections, waterfront parks, wetlands, beaches, marsh and forests, vineyards, farmland, museums and shopping areas.
