Colette Coleman : Great Motorcycle Tours of Europe before purchasing it in order to gage whether or not it would be worth my time, and all praised Great Motorcycle Tours of Europe:

0 of 0 people found the following review helpful. A great coffee table bookBy Graham P AitkenThis is a great coffee table book with excellent photography, and good for giving you ideas. However the way it's written, anecdotally rather than being quite specific exactly what roads to take and where to take them, it's actually very difficult to use it to plan a route from. You can do it, but it takes a lot a careful studying of maps to figure it out.

Veteran biker and author Colette Coleman's guide lays out 50 of the most scenic and adventurous tours in Europe's most breathtaking locations. Whether you are an experienced biker or just discovering the joys of touring, this is the perfect introduction to the most inspiring motorcycle routes in Europe. Packed with breathtaking photography and practical information, Great Motorcycle Tours of Europe contains everything you need to plan an unforgettable trip. Motorcycle adventurer Colette Coleman takes you bend-by-bend along the narrowest passes and up the steepest

climbs as you ride through some of the most impressive scenery in Europe. Experience the snowy peaks of Norway's Arctic Circle, head to the balmy French Riviera, ride through the valleys and peaks of the Italian Dolomites, tackle the twists and turns of Romania's Transfagarasan Highway and cruise down to the Aegean Sea. Over 200 stunning images are accompanied by insightful commentary from an author who has been exploring the world by motorcycle for over 25 years. Each tour features a locator map together with a fact file giving practical information on the route's length and terrain (from rocky tracks to snowy roads), highlighting local colour such as sites, events and the wildlife you might encounter, and including a wide range of valuable tips that will enhance your ride. This beautiful book is the definitive, all-purpose motorcycle reference, whether you are planning your own adventure or just enjoying some of the best views on the continent.
