Craig P. Della Penna, Craig Della Penna : Great Rail-Trails of the Northeast: The Essential Outdoor Guide to 26 Abandoned Railroads Converted to Recreational Uses before purchasing it in order to gage whether or not it would be worth my time, and all praised Great Rail-Trails of the Northeast: The Essential Outdoor Guide to 26

Abandoned Railroads Converted to Recreational Uses:

10 of 10 people found the following review helpful. Unique! Rail-trail detail with the history of its railroad!By ericrach@concentric.netThis book is quite unique - not only does it offer descriptions of trails from Conn. to Maine down to the 10th of a mile, but it also provides insight into the railroads that once traveled on them. A must-have for any rail-trail rider or hiker who wondered about the railroads that once ruled the trail. Asphalt lovers note: only 11 of the 26 trails in the book are fully or partially paved.
