Jay P.K. Kenney : Great Road Rides Denver before purchasing it in order to gage whether or not it would be worth my time, and all praised Great Road Rides Denver:

0 of 0 people found the following review helpful. Great for Bike RidersBy CarolPurchased as a gift. Recipient very happy to have this book.0 of 0 people found the following review helpful. helps with the tough transition areasBy

Urbananchorite Even though this book is slightly dated it really does help me figure out how to get through the big transition areas -- complex intersections, changeover from one trail to another, etc. 0 of 0 people found the following review helpful. *New Routes I'd Never Thought Of* By Rex Wisehart A great addition to any cyclist's library. I've ridden about half a dozen of the suggested rides already... and have ridden through neighborhoods I haven't seen before - and I've lived here over 30 years!

Metro Denver is one of the great road-biking areas in America. This guide shows riders how to link the best streets and bike lanes with dedicated trails to create truly interesting rides that take you along rivers and creeks, through the best park system in the country, and to the foothills where the plains meet the Rockies. Jay P. K. Kenney is an avid outdoorsman and road biker who thought, during the gas crisis of 2008, that it seemed crazy to drive someplace to ride when Denver offers numerous possibilities to the curious cyclist.

"Denver cyclists - experienced or novice - want to get the inside scoop on some of the best road rides right here in Denver?" -Denver Life Magazine
