**Martin Howard : Greece and the Greek Islands (Small Panorama)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Greece and the Greek Islands (Small Panorama):

3 of 3 people found the following review helpful. Gorgeous pictures of Greece.By Rheda HelmanI bought this book after looking at one owned by a fellow art student. The pictures are breath-taking. I'm ready to take a trip next spring, along with my pastels, to do some on-site painting.0 of 1 people found the following review helpful. Five StarsBy Jeffrey K. Bakerthank you2 of 4 people found the following review helpful. not much infoBy A. DaniellI bought this book on a prior trip to Greece. I wanted to be more informed about the Greek islands. This book has a lot of beautiful pictures,but I did not get the information that I was looking for.

Greece and the Greek Islands - Small Panorama by Martin Howard takes you on a virtual tour of Greece.
