Michael Kambas : Greek-English/English-Greek Concise Dictionary (Hippocrene Concise Dictionary) before purchasing it in order to gage whether or not it would be worth my time, and all praised Greek-English/English-Greek Concise Dictionary (Hippocrene Concise Dictionary):

2 of 2 people found the following review helpful. Modern Greek DictionaryBy bobbyThis is the book you will want if

you will be traveling to Greece. It is the modern Greek language that is spoken now, not the ancient Greek that is used for academic study. 0 of 1 people found the following review helpful. too condensed
By ruth
Not enough vocabulary, some of the translations were uncommon and not particularly used in every day conversation. Should include usage in a sentence.

A concise Greek-English/English-Greek dictionary with over 16,000 entries.
