Athanasios Spiliadis, Lonely Planet Phrasebooks : Greek: Lonely Planet Phrasebook before purchasing it in order to gauge whether or not it would be worth my time, and all praised Greek: Lonely Planet Phrasebook:

0 of 0 people found the following review helpful. Better than any other phrasebook, for real! By Sam Whenever I go somewhere I don't know the language, the Lonely Planet phrasebooks are the best things to have. Perfect size for a pocket or purse and countless phrases and words to help you say what you need or simply order dinner out at a restaurant. Lifesaver! 4 of 4 people found the following review helpful. Perfect companion! By Karen Sieradski I've recently started to learn Greek using Rosetta Stone--which is excellent, by the way. But I thought I could use a

companion to the immersion method--perhaps book to explain things about grammar. I tried a few textbooks, which proved to be less than useless. The Lonely Planet phrasebook, on the other hand is perfect for my needs. It's concise, and easy to use and to follow. Grammar guides are laid out as expected. The pronunciation guide is a nice balance between what the words really sound like in Greek, and what I can actually pronounce as a native English speaker. (Other pronunciation guides I've found have either been too simplistic, or leave me wondering how I could possibly make that particular sound.) All in all, a great book. I now carry it around wherever I go--it fits easily into my purse. Highly recommended! I think I may buy a second copy, one for my purse, one to keep next to my computer.

0 of 0 people found the following review helpful. By far the best I've found

By Aaron In my opinion the Lonely Planet phrase books are the best there are. Much more than just rote phrases. It's a mini course in basic Greek. You can quickly make sentences, or at least phrases to convey your thoughts. And people will understand you. You'll be able to survive on the streets of Saloniki or any other town and find what you need. You'll speak Tarzan level Greek in no time! And people will appreciate your efforts.

Let's get philosophical. As Socrates said, 'Let him that would move the world first move himself.' Move yourself to say a few things, open this book. It'll make a world of difference.

Special Features:

- *Packed with information on culture and etiquette
- *Talk politics, play cards or dance the pendozali
- *Concise and practical grammar chapter will get you started on the right foot
- *Extensive food section will prepare you to eat at any time and at any occasion
- *Get the most out of Ancient Greece with sections on archaeological and historical terms

National Geographic Traveler, September 2006

Lonely Planet Phrasebooks. Portable, pocket-size, cheap, and available for almost any country you might want to visit...

From the Publisher

Who We Are At Lonely Planet, we see our job as inspiring and enabling travellers to connect with the world for their own benefit and for the benefit of the world at large.

What We Do

- * We offer travellers the world's richest travel advice, informed by the collective wisdom of over 350 Lonely Planet authors living in 37 countries and fluent in 70 languages.
- * We are relentless in finding the special, the unique and the different for travellers wherever they are.
- * When we update our guidebooks, we check every listing, in person, every time.
- * We always offer the trusted filter for those who are curious, open minded and independent.
- * We challenge our growing community of travellers; leading debate and discussion about travel and the world.
- * We tell it like it is without fear or favor in service of the travellers; not clouded by any other motive.

What We Believe

We believe that travel leads to a deeper cultural understanding and compassion and therefore a better world.
