Best review of the old hotels I've found By Marcheta This book provides the best coverage of "The Beach" as it looked up until the 1980's when a lot of the old hotels and guest houses that were left were razed for the big commercial hotels that now dominate the boardwalk. Would have liked info on what became of each of them, but just seeing the postcards and photos is better than I've been able to find in other books on this topic. I highly recommend to anyone who remembers The Beach as it was. 0 of 0 people found the following review helpful. Gift for Mom. She loves it. 'Nuff said ... By Robert g Gift for Mom .She loves it. 'Nuff said. 2 of 2 people found the following review helpful. GREETINGS FROM VIRGINIA BEACH By Virginia Girl Great book with wonderful postcard illustrations. Terrific book for a Virginia Beach postcard collector. I recommend!

The 220 beautiful postcards provide a nostalgic look at the Virginia Beach of yesterday, while 89 vibrant, color photos show the town today. Learn how Virginia Beach got its start and see the early boardwalk. Take a grand tour chronicling the changes, from its beginnings in 1878, when only the Seatack Lifesaving Station inhabited the shore, to the present day. View the Norwegian Lady statue of yesteryear and today, stroll the boardwalk through the decades, and compare today's Coast Guard Station to the early Seatack station. Also provided is a short history of postcards and their values. This book is perfect for all who love life on a beach.

About the Author James Tigner is a collectibles dealer specializing in postcards, paper memorabilia, ephemera, and postal history. He has also four other books for Schiffer Publishing and lives in southern Pennsylvania.
