**Aaron Frankel : Groovy Map n Guide BANGKOK 2015** before purchasing it in order to gage whether or not it would be worth my time, and all praised Groovy Map n Guide BANGKOK 2015:

We ended up buying another guide from lonely planet as this map just did not have the information we wanted or needed. I would not recommend this map especially for a first time visit to Thailand. More often then not when we would try to use it for something specific we were looking for it wouldn't be in one of the "Groovy" categories so we wouldn't be able to find it on the map. We kept having to either use one of the hotel maps or we finally just bought the Lonely Planet guide which had everything listed. This map was a waste of money because they only listed specific businesses etc that they considered to be of interest and was not a complete guide. As anyone that's been to Bangkok knows, the traffic is a nightmare so getting around efficiently is key if you want to enjoy your time. We did not have a chance to try out many of the suggestions on the map, but some of them seemed to coincide pretty closely with some of the spots I had found to be highly recommended in my additional trip research. Would definitely recommend snagging one if you're headed to BKK.0 of 0 people found the following review helpful. The best thing I purchased for my tripBy CyndiI was in Bangkok for a week, and the Groovy Map never failed! I kept it with me at all times (so compact!), always knew where I was going, and could always count on the fact that the recommendations in the Groovy Map would lead to a good time. I would recommend the Bangkok Groovy Map to anyone who doesn't want to be bored, ever. Seriously, no need for a guidebook at all.

**BANGKOK IS GROOVY: ALL NEW 2015 EDITION!** Groovy Bars, Hip Happening Clubs, Delish Dining, Mega Markets, Culture Vultures, Swish and Swanky Spas, where to get Thai massages, buy Thai silk, find a fortune teller, buy an original alms bowl, haggle for orchids, and lots more shopping too. We also give you our 'Groovy Day' a linked column covering what we'd do in 24hrs if money were no object and we had the stamina of a teenager. AND updated with completely new maps fonts, coloring -- less contrast, bigger and better for older eyes! 7 Maps: Greater Bangkok, Downtown Bangkok (Sukhumvit Rd) , Rattankosin (Grand Palace, Khao San and Banglamphu area), with BTS skytrain and Bangkok Metro (subway) routes, as well as a Chatuchak (famous weekend market) map.

Terrific insider tips and info from a a guy who really lives here. Used this map til it fell off my hands. --Oryah Mizrahi, London, UKSpot on!! --NewsweekAbout the AuthorAaron Frankel the intrepid explorer, has been traveling across SE Asia for over a decade and mapping out cities in his own witty, irreverent and always groovy style.
