**Peter J. Aicher : Guide to the Aqueducts of Ancient Rome** before purchasing it in order to gage whether or not it would be worth my time, and all praised Guide to the Aqueducts of Ancient Rome:

4 of 4 people found the following review helpful. A Must ReadBy gary robbinsI was working in Roma this fall and had a chance to tour various aqueduct locations. The primary guide material that I used to find my way around was material I had downloaded from the web. It was only after I returned to the U.S. that I became aware of the book. It is fantastic and explained all that I had seen. I only wish I had the book in hand while I toured the streets of Roma

exploring aqueduct location after aqueduct location. If you are interested in aqueducts--this book is a must. 7 of 7 people found the following review helpful. Outstanding Book By John Kriegshauser I bought this book before I went to Rome and gave it a quick read before traveling. It was fabulous. I spent a day and half hiking the aqueducts both within and in the suburbs of Rome. The guide not only provided detailed information about the history and workings of the aqueducts, it also provided advice as to which sections were accessible and how to reach them by public transit. This book was my key to a wonderful experience in Rome. 1 of 3 people found the following review helpful. Five Stars By Brandon Lee Great book Perfect condition

Aicher's work is a unique fusion of tour guide and archaeological handbook, allowing the reader to view the Eternal City from the vantage point of an unmistakable yet overlooked feature of its topography. Special Features \* maps \* schematics drawings \* photographs \* reprints of famous line drawings Also available: Smell of Sweat: Greek Athletics, Olympics, and Culture - ISBN 086516553X The Evocation of Virgil in Tolkien's Art: Geritol for the Classics - ISBN 0865161763 For over 30 years Bolchazy-Carducci Publishers has produced the highest quality Latin and ancient Greek books. From Dr. Seuss books in Latin to Plato's Apology, Bolchazy-Carducci's titles help readers learn about ancient Rome and Greece; the Latin and ancient Greek languages are alive and well with titles like Cicero's De Amicitia and Kaegi's Greek Grammar. We also feature a line of contemporary eastern European and WWII books. Some of the areas we publish in include: Selections From The Aeneid Latin Grammar Pronunciation Greek Grammar Pronunciation Texts Supporting Wheelock's Latin Classical author workbooks: Vergil, Ovid, Horace, Catullus, Cicero Vocabulary Cards For AP Selections: Vergil, Ovid, Catullus, Horace Greek Mythology Greek Lexicon Slovak Culture And History

'...offers far more than a catalog of the extant remains. It vividly reconstructs the history of the aqueducts...' Christopher Parslow, New England Classical Journal 24...provides something that has not previously been available...with thoroughness, readability, and accuracy...deserves much praise and is remarkably useful.-- James C. Anderson, Jr., University of Georgia...will remain the vade mecum of specialists and nonspecialists alike for some time to come...succeeds admirably. Rabun Taylor, Bryn Mawr Classical , issue 12, no. 16 The volume will be indispensable...It is a book to be warmly welcomed. R.J.A.
