Orin H. Bonney, Lorraine Bonney : Guide to the Wyoming Mountains and Wilderness Areas: Climbing Routes and Back Country, American Rating System before purchasing it in order to gage whether or not it would be worth my time, and all praised Guide to the Wyoming Mountains and Wilderness Areas: Climbing Routes and Back Country, American Rating System:

0 of 0 people found the following review helpful. A lost treasureBy Jose C. JovenToo bad this book is no longer available. The Guide to Wyoming Mountains and Wilderness Areas is a veritable Bible for climbing in Wyoming. An amazing amount of research went into this book and every mountain range is represented.Of course it would need to be updated as many new routes and variations have been put up over the years.Orrin and Lorraine Bonney created a masterpiece.
