Webster's paperbacks take advantage of the fact that classics are frequently assigned readings in English courses. By using a running English-to-Brazilian Portuguese thesaurus at the bottom of each page, this edition of *Gulliver's Travels* by Jonathan Swift was edited for three audiences. The first includes Brazilian Portuguese-speaking students enrolled in an English Language Program (ELP), an English as a Foreign Language (EFL) program, an English as a Second Language Program (ESL), or in a TOEFL or TOEIC preparation program. The second audience includes English-speaking students enrolled in bilingual education programs or Brazilian Portuguese speakers enrolled in English-speaking schools. The third audience consists of students who are actively building their vocabularies in Brazilian Portuguese in order to take foreign service, translation certification, Advanced Placement (AP) or similar examinations. By using the Rosetta Edition(when assigned for an English course, the reader can enrich their vocabulary in anticipation of an examination in Brazilian Portuguese or English.
