**From ITMB Publishing : Guyana Map** before purchasing it in order to gage whether or not it would be worth my time, and all praised Guyana Map:

1 of 1 people found the following review helpful. Not a good lay outBy Ophelia RoseThe map is not just of guyana and was split front and back in a not so helpful way. The colours of the map made it a little difficult to read. Al and all it was an ok map for map purposes however it could have been better.

Scale 1:850,000. With inset map of Georgetown (1:22,500). Printed on one side. Map of the country and portions of its neighbors; with topographical contours and elevations indicated by color changes. Legend locates international and district boundaries; urban areas, towns, and villages; roads from primary roads to cart tracks; airports and airfields; railroads; minibuses; ferry routes; Indian reserves; parks and nature preserves. Tourist information centers; points of interest; public overseas telephones; medical facilities; embassies; accommodation; campsites; lighthouses; dams, canals, rivers, and other hydrography. With facts and figures in brief.
