**Sibella Court : Gypsy: A World of Colour Interiors** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gypsy: A World of Colour Interiors:

1 of 1 people found the following review helpful. Five StarsBy Shelley W.Absolutely beautiful book! I am an artist, and I find these pages to be so inspiring.7 of 8 people found the following review helpful. Fairly NiceBy Selah ReyThe book is a nice high quality fabric. I find it odd that words are written on pages with lots of colors on them- thus makes reading at times difficult. The book is just good to own if you are of a gypsy spirit and like to be surrounded by all things gypsy.1 of 1 people found the following review helpful. beautifulBy flashelightShe has such an eye. I love this book and its collection of places, color swatches and artistry. Definitely an inspiration for any creative.

Revered designer Sibella Court is known for her eclectic, creative vision and vibrant Bohemian style and interiors. In Gypsy Sibella takes you on a whirlwind tour through the Galapagos and Ecuador, Indochine, Turkey, Scotland, and

Transylvania. From place to place, she reveals diverse elements that inspire her, from churches, favorite suppliers, and table settings, to colors, animals, and aromas. Filled with dazzling patterns, gorgeous layouts, and eye-catching designs, *Gypsy* encourages you to use all five senses to draw artistic inspiration from the world around you. Sibella teaches how to take pieces bought or seen on your own travels and use them to fashion unique spaces full of color, texture, imagination, and meaning. She also emphasizes the importance of scents, reminding how fragrances can help transport you to places you've been or dream of going. An extraordinarily beautiful volume, *Gypsy* is a deluxe, cloth-covered guide filled with lush photos taken by Sibella's brother, Chris, a renowned, award-winning photographer.

**About the Author** Sibella Court is the best-selling author of *Etcetera*, *The Stylists Guide to NYC*, *Nomad*, and *Life of a Bowerbird*. After ten years of living and working in New York styling for Bergdorf Goodman, Saks Fifth Avenue, Jo Malone, Pottery Barn, Target, West Elm, Gourmet, Marie Claire, and Vogue Living, Sibella returned home to Australia to launch her brand and shop, The Society Inc.
