Fits in a shirt pocket but gives maximum coverage and is very easy to read. Just pull it out and pop it open, and it still fits in the palm of your hand, You don't come off looking like one of those cartoon tourists with the 2x3 foot map standing on the corner looking lost. I am a big fan of the maps in this series.0 of 0 people found the following review helpful. Five StarsBy David K.Best travel maps around.
