Hammond Incorporated : Hammond Historical Atlas of the World before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hammond Historical Atlas of the World:

0 of 0 people found the following review helpful. Four Stars By Ernie satisfied...as described. 5 of 5 people found the following review helpful. Wonderful brief atlas of world history. By A Customer This atlas brings you from the Dawn of Man to the mid 1980s. Focusing on political boundaries, its detailed, colorful maps certainly provides a fair reference work for the researcher, and a resource for learning at all levels. I highly recommend it.

This atlas is a special supplement with various of our Western Civilization and World Civilization texts. The Atlas cannot be sold separately. Prentice Hall only sells the atlas in a value pack with a text.
