Hammond World Atlas Corp, Corporation Hammond World Atlas : Hammond Student's Notebook Atlas before purchasing it in order to gage whether or not it would be worth my time, and all praised Hammond Student's Notebook Atlas:

5 of 5 people found the following review helpful. Good product, but...By D. HeffnerThe maps are excellent and up-to-date but the "notebook" ready feature leaves a little to be desired. Instead of holes punched for storage in a 3-ring binder, the map booklet has little wire attachments that fit over the notebook rings. Not the best design.2 of 2 people found the following review helpful. Compact and HandyBy Steven VenardThe Hammond Atlas is small, up to date and easy to use when searching for cities/countries around the world.

The Student's Notebook Atlas provides 32 pages of up-to-date, detailed world maps and corresponding facts, as well as a section on World Flags and a Reference Guide with national flag, area, population, and capitals for each country.

Convenient wire loops allow the atlas to fit into a 3-ring binder.

About the Author Since 2000, Hammond, American Map, Langenscheidt Dictionaries, Insight travel Guides, Delorme - the famous names in the Langenscheidt family. These represent the most authoritative, up-to-date, and extensive travel and reference products available. In January 2003, the renowned Berlitz Publishing became part of the Langenscheidt Group. The Langenscheidt Publishing Group, the premier group of map and travel companies, offers over 4,000 North American and international street maps, road maps, atlases, language-learning, bilingual dictionaries, and travel-related products covering countries, cities, and languages in every continent.
