Hammond : Hammond World Atlas Sixth Edition (Hammond Atlas of the World) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hammond World Atlas Sixth Edition (Hammond Atlas of the World):

0 of 0 people found the following review helpful. Three StarsBy Neal McKinneyIt"s too heavy for me.1 of 1 people found the following review helpful. Five StarsBy K. SpringsI've got a number of Atlases. Hammond proves to have the most detail.0 of 3 people found the following review helpful. ... and thought what I bought would be a lot like my old oneBy Mike McGivernI had the 77 edition and thought what I bought would be a lot like my old one, and the description did not help me. It will take a while to get to using this edition effectively.

More than half a million copies sold worldwide, Hammond World Atlas Sixth Edition is fully updated for 2010! Completely revised and updated, Hammonds venerable world atlas contains twenty more pages than the previous edition, new photos, and a font change at the same great price. This atlas contains full-color, accurate, easy-to-read world maps with striking physical relief and the latest country information. The newly updated Did You Know, Info Zone, and Green Alert callouts contain informative, insightful commentary throughout the atlas. The Countries of the World section has been expanded with the most current status of the worlds nations, world statistics, updated population figures, and stunning photography. The continent introductory spreads have been revised to include world updates such as the earthquake in Haiti and the updated satellite image section adds a compelling visual perspective to the worlds geographical features. This is the most current comprehensive World Atlas available and makes the perfect gift for any home or office library.

About the Author Hammond World Atlas has been producing clear, authoritative maps and atlases for over 100 years. WCBS-TV, CNN, newspaper editors, educators, businesspeople, and students all rely on Hammond as their map and atlas source.
