A W Greely : Handbook of Arctic Discoveries before purchasing it in order to gage whether or not it would be worth my time, and all praised Handbook of Arctic Discoveries:

Handbook of Arctic Discoveries is an unchanged, high-quality reprint of the original edition of 1896. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres.As a publisher we focus on the preservation of historical literature.Many works

of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.
