By A. Thompson
Just returned from my first ever trip to Paris and the 'Harper Collins Survival Guide: France' was such a useful tool. The pink 'keyword' tips were very helpful. Also the sections on food and signs as well as the English to French and French to English sections offered. I bought this used from jr.books thru and was 100% satisfied. The size approximate of 4 x 7 x 1/2 inches was very manageable.

This is a great phrase book. It has a section devoted to French food. The dictionary at the end of the book is comprehensive. Served me very well on my trip to Paris.

A phrase book ... a dictionary ... a travel guide ... all in one!

Clear, to-the-point photographs illustrating vocabulary and social customs for quick and easy reference
Practical tourist information
Concise bilingual dictionary and grammar section
