**HarperCollins Publishers Ltd. : HarperCollins Pocket World Atlas, Deluxe Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised HarperCollins Pocket World Atlas, Deluxe Edition:

This distinctive world atlas contains highly detailed maps, unique for such a small format, and thematic spreads showing the world's physical features, countries, climate, and population. The atlas also features a comprehensive guide to the world's states and territories, including area, capital, languages, religions and currency. The index contains

references to over 20,000 place names.
