Old and outdatedBy AlexThis is an old and outdated book... from 1995. Not overly helpful... save your money and just look at a map.0 of 0 people found the following review

helpful. OutdatedBy Kindle CustomerWe are planning a bike trip around the island of Hawaii. When we ordered this book we knew it was older, so we weren't expecting much, but it is quite outdated and also geared to much more recreational riders.

\* Route descriptions with point-to-point directions \* Where to hike, dive, swim, and kayak along the way \* Trip planning, bike outfitting, and safe cycling advice Explore the real Hawaii with bike tours through tropical paradise! This guidebook offers 20 routes on the islands of Maui, Molokai, Lanai, Oahu, Kauai, and Hawaii. Coast along quiet seaside roads, through small rural settlements, and over the emerald slopes of volcanic remnants. Trips are completely described, with point-to-point directions and strategies for connecting tours to create longer outings. Hawaii by Bike also points the way to notable mountain bike trails and locations for other activities, such as hiking, swimming, and scuba diving. You'll find plenty of practical advice on planning, what to bring, accommodations, language tips, and more.
