Klara Ilane Wistinetzki, Justin Ben-Adam Rudelson, Lonely Planet Phrasebooks : Hebrew: Lonely Planet Phrasebook before purchasing it in order to gage whether or not it would be worth my time, and all praised Hebrew: Lonely Planet Phrasebook:

0 of 0 people found the following review helpful. Worthwhile PurchaseBy NopeanutsOnly just started reading, but seems very useful and contemporary. Look forward to making use of this while traveling through Israel.0 of 0 people found the following review helpful. Excellent Phrasebook!!By AaronThis Lonely Planet series is the best I have found. I have both Turkish and Hebrew. The best feature is that they explain basic grammar and give you a list of essential verbs, nouns and adjectives. So you can at least speak some basic "Tarzan" level language right away. People WILL understand you and will help you. You're not limited to the standard rote tourist phrases.0 of 0 people found the

following review helpful. Ready to try it outBy John AHope to be in Israel later this year and plan to have this book in my backpack. I'm a student of languages, and this book looks like it will give me a start into using some Hebrew. I like the layout and the content. Lonely Planet has helped me before, even if I didn't agree with the perspective of the author.

Shalom and barukh haba to the land of milk and honey. To make your trip to the Promised Land an amble through fragrant cedar forests rather than a slog through the drier parts of the Negev, get your hands on this trusty phrasebook. Our phrasebooks give you a comprehensive mix of practical and social words and phrases in more than 120 languages. Chat with the locals and discover their culture - a guaranteed way to enrich your travel experience.

National Geographic Traveler, September 2006'Lonely Planet Phrasebooks. Portable, pocket-size, cheap, and available for almost any country you might want to visit...'Language NotesText: English, Hebrew
