**Marty Olmstead : Hidden Georgia: Including Atlanta, Savannah, Jekyll Island, and the Okefenokee (Hidden Travel)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hidden Georgia: Including Atlanta, Savannah, Jekyll Island, and the Okefenokee (Hidden Travel):

0 of 0 people found the following review helpful. Good information  
By diana strickland  
Was looking for an informative book mostly on the Southeast area of Georgia. This book has great information, some not found on the internet A must read.

Where Vacations Meet Adventures! First, "Hidden Georgia" reviews the destination's famed attractions. Then (more importantly!) it invites the reader to go further to Hidden spots other guides overlook, including small inns and local restaurants. The guide also focuses on outdoor adventures with detailed information on beaches, parks and outdoor activities. Special traveler-friendly features include hidden spots, author's favorite picks, getaway itineraries, driving and walking tours, websites and e-mail addresses, and multiple scaled maps that zoom in on each area. "Hidden Georgia" leads to Civil War sites near Atlanta, bistros in Savannah's historic district and cozy BBs in the Golden Isles. The author offers recommendations and opinionated reviews for over 150 restaurants and over 250 hotels. This updated edition includes 31 maps."

"The Hidden guidebook series hot-peppers its pages with little arrows that point to a multitude of off-the-tourist-track sites." Chicago Tribune
