WigginsAll of my family went to Auburn so after seeing Kelly Kazek mention this book on

Facebook, I had to purchase it for my sister. She read the whole book at one time! The book brought back many memories of *The Loveliest Village of the Plains*. I'm sure she has received many more ideas for this book since she wrote it! I know several.

Auburn is not just the home to a world-class university; it is also the home of a storied community with deep roots in Alabama history. Join author and Auburn University alumna Kelly Kazek as she tracks the lesser-known history of both the city and the school. In this diverse collection of lost, forgotten or just plain strange history, Kazek uses her decades of experience as a journalist to dig deep and cast a wide net, revealing stories sure to surprise even the most seasoned Auburn experts. From the mysterious origins of some of AU's most hallowed traditions to tales that stretch back to the very founding of the city, *Hidden History of Auburn* is an unprecedented collection that unearths the long-buried stories of this Alabama treasure.
