If you are a Hidden Mickey fan, or a Disney fan in general, then this book will be perfect for you. It definitely gives you something to do while waiting in line or walking around the park. It's a fun scavenger hunt to see if you can find them all. I love how small it is, it can easily fit in a backpack or purse, even a large pocket.10 of 10 people found the following review helpful. Love itBy Tracyv281We had so much fun with this book...we just took it with us on each ride, we read what to look for while waiting in line and then searched on the ride and finding stuff was great entertainment...also the staff were very helpful when asked or noticed that you were looking...giving clues where to look...great fun!1 of 1 people found the following review helpful. Chilling at Disney WorldBy FungrampsWe have both the hardcopy and Ebook version of this book. Both are easy to use and very accurate. The wife and I like the e-book version the best because we can quickly search for items nearby. It's a great way to keep yourself entertained while standing in line. If you're going for the first time for single day this may be just too much information with everything else going on. However, if you're now you're an annual pass holder this book is a lot of fun and it adds a lot to the experience.

Camouflaged images of Mickey Mouse are concealed all around the Walt Disney World Resort. Author Steve Barrett adds to the fun of finding them by turning the search into six scavenger hunts, complete with clues, hints, and points to be scored. Barrett has searched Magic Kingdom's New Fantasyland and all the rest of WDW to bring this guide to Disney World's hidden Mickeys up to date with scores of new sightings of the cleverly camouflaged images. Disney's designers have hidden them all around WDW in the parks, shops, restaurants, and resort hotels to delight visitors. Barrett offers a scavenger hunt for each of the four theme parks Magic Kingdom, Epcot, Disney's Hollywood Studios, and Disney's Animal Kingdom as well as one for the WDW resort hotels, and one for everything else Downtown Disney, the WDW water parks, the golf courses, and so on. Scavenger hunt for hidden Mickeys by following the clues in each hunt. Or consult the Index to Mickey's Hiding Places in the back of the book to look for Mickey wherever you find yourself, without following a scavenger hunt. This new sixth edition includes over 1,200 hidden Mickeys in all, with complete descriptions of each one in the hints sections of each scavenger hunt. Compete with family and friends to see who can find Mickey first. Or simply enjoy spotting these clever hidden images on your own.

Are you familiar with the thrill of finding Hidden Mickeys at Disney World? If not, let me introduce you to a fantastic tool that will guide your hunt and enhance your Disney experience: *Hidden Mickeys: A Field Guide to Walt Disney World's Best Kept Secrets*. Before you begin, Barrett defines an official Hidden Mickey as a partial or complete image of Mickey Mouse that has been hidden by Disney's Imagineers and artists in the designs of Disney attractions, hotels, restaurants and other areas. These images are designed to blend into their surroundings. Similar to the previous editions, the 6th edition is divided into easy-to-use scavenger hunts, detailed clues and hints, a comprehensive index and a great chapter about Barrett's Top Ten Hidden Mickeys. Each Hidden Mickey is assigned a point value so that you can get a little competitive too! This newest edition has been updated to include Hidden Mickeys from New Fantasyland and as new Hidden Mickeys are found the Hidden Mickey website gets updated. As an avid Hidden Mickey hunter and collector of several of Steven Barrett's field guides, I was looking forward to the 6th edition of this fantastic book. Mr. Barrett did not disappoint! Whether you are a first-time reader or have several copies in your pocket during each Disney vacation, the 6th edition includes comprehensive information that will add value and fun to your next trip. (Terri Miller, A fantastic tool that will guide your [Hidden Mickeys] hunt and enhance your Disney experience. Walt Disney World Hints.com, 7/8/2013) Steven Barrett gives WDW guests an easy, fun way to search for Hidden Mickeys! If you are wondering if your favorite restaurant or attraction has a Hidden Mickey, you can always look in the extensive index. (Beth Green, blogger A Disney Moms Thoughts, August 12, 2014) About the Author Steven M. Barrett is the author of *Hidden Mickeys* guides to Walt Disney World, Disneyland, and the Disney Cruise Line. He lives in Seminole County, Florida, near Orlando. Barrett paid his first visit to Disney World in the late 1980s, after attending a conference in Orlando. He immediately fell under its spell, visiting it twice yearly with family and friends for the next several years, offering touring advice to the less initiated, and reading almost everything

written about the WDW theme parks. When a job in his field opened up not far from WDW in 1998, Barrett, a Texas native, Air Force veteran, and former University of Oklahoma professor, relocated to the Orlando area from Houston, Texas. He began visiting the WDW parks every chance he got to enjoy the attractions, sample the restaurants, escort visiting friends and relatives, and find hidden Mickeys! His interest in them led him to write his three Hidden Mickeys field guides.
