DisappointedBy kwtHidden Mickey's are a lot of fun but we expected photos in the book to help us find them.1 of 1 people found the following review helpful. Kind of a letdownBy Amy KincaidI was disappointed in this book. I took it along on our Disney Cruise expecting to have fun searching for hidden Mickeys onboard. There was a lot of times that something was called a hidden Mickey when it really wasn't. It just seemed pretty far fetched for some of them. I guess if you squinted into the sun you might think you see a Mickey but my family didn't agree with the author.0 of 0 people found the following review helpful. Not Worth ItBy HollyRNZero pictures, which would have made this a much better guide and more enjoyable book. Even one pic per chapter would have been a plus.... and yes, I can read, but it was dry reading (like paging through a dictionary).

"Hidden Mickey Guy" Barrett searches all four of the Disney Cruise Line ships for camouflaged images of Mickey Mouse to bring his guide to maritime "hidden Mickeys" up-to-date with his latest findings. Four scavenger hunts offer cryptic clues to Mickey's hiding places aboard the Disney Magic, Disney Wonder, Disney Dream, and Disney Fantasy. A fifth covers the landlubber Mickeys hiding on Castaway Cay, Disney's private island in the Bahamas. Compete with family and friends to spot Mickey. Or simply search for him wherever you find yourself on sea or on land by turning to the Index to Mickey's Hiding Places. Fun for all! Includes complete descriptions of every hidden Mickey in the guide plus hints to help you find the elusive mouse.
