We went to WDW followed by a 3-night Disney Cruise. I had no idea there was even a hidden mickey book for the cruise. I am excited to use it when we go in May on the DCL. It is thinner than the Hidden Mickey's book for the parks which makes sense since the parts are a much larger area to hide things than on 4 cruise ships. Great stocking stuffer!2 of 2 people found the following review helpful. I love these booksBy Maxine K FraunheimI love these books! The only disappointment was it hadn't been updated yet for the new ReImagined Magic which is what we were sailing on. It came out the same year as the ship was released but apparently before the ship and I didn't realize that. Otherewise I would rate this 5 stars!4 of 4 people found the following review helpful. Missing Magic RenovationsBy nicholenaAs of 6/1/2014 the printed version is missing the Disney Magic renovations.

About the AuthorSteven M. Barrett is a leading authority on Hidden Mickeys. He lives near Walt Disney World in Seminole County, Florida, and is the author of Hidden Mickeys guides to the Walt Disney World and Disneyland Resorts, as well as the Disney Cruise Line's four ships and Castaway Cay.A Texas native, Air Force veteran, and former University of Oklahoma professor, Barrett became intrigued by Hidden Mickeys over a decade ago. These partial or complete images of Mickey Mouse are designed to blend into their surroundings in Disney properties in such a way that their presence is not immediately obvious, so that visitors have the fun of finding them. Barrett has been hunting them in the Disney Cruise Lines ships for several years, and wrote his first Hidden Mickeys Go to Sea guide in 2009. Disney has launched two new ships in the years since. This latest edition includes hunts for all four of Disney's ships as well as for its private island, Castaway Cay.ISBNs and titles of authors other books: Hidden Mickeys: A Field Guide to Walt Disney Worlds Best Kept Secrets, 6e, 9781937011291; Disneyland's Hidden Mickeys: A Field Guide to the Disneyland Resorts Best Kept Secrets, 4e, 978937011284.
